STUDY GUIDELINES

OUR AIM

Powerhouse College provides growing Christians with an opportunity for in-depth Bible-based study. Our aim is to help our students deepen their relationship with the Lord and to make them firm and stable in the work of His kingdom. We endeavour to provide an in-depth understanding of the Word of God and not to promote or emphasise the teachings of men.

These courses are a tremendous resource of rich, practical knowledge and wisdom, based on God's Word, and are an effective aid to spiritual development and suitable for all believers.

COURSES

The courses are modular based. This means that students can begin their studies at any time during the year.

MINIMUM ENTRANCE REQUIREMENTS

There are no minimum qualification prerequisites for the Certificate of Ministry.

For example, a student who has passed only grade eight (8) may enrol for the Certificate programme. Once they have completed the Certificate in Ministry successfully, they will be accepted into the Diploma. The Diploma allows entrance into the Bachelor Degrees, and so on.

MINIMUM AGE

No student may begin with their studies unless they have attained the age of 16 years before enrolling.

STUDENT NUMBER

Each student is allocated a student number. Please quote this number at all times when corresponding with our office.

We do not prepare our students for secular work or denominational service. We will seek to provide a sound theological standing from which our students may fulfill their divine purpose and calling.

A graduation ceremony is held at the end of each year where Certificates, Diplomas and Degrees are conferred. Students who wish to graduate, should complete all exams (100%) by the mid-October, of that particular year. Please note that students are only capped at the ceremony, and certificates will be printed the beginning of the following year, and only received by May as it is printed in the USA.

Students are required to pay a graduation fee of \$500 ***per qualification***. The fees are payable whether the student attends the graduation ceremony or not. Gowns and caps are provided at the ceremony.
